MTAW Scholarship Committee  
2408 North 67<sup>th</sup> St.  
Wauwatosa, WI 53213

Dear Scholarship Committee:

Thank you very much for awarding me the John Schlice scholarship. Scholarships like these help Town staff continue attending conferences and other educational opportunities, while keeping the budget low for Town residents.

The conference was very educational, and I was glad I was able to attend. The first presenter had a wealth of knowledge about cash handling and internal controls. I definitely learned more about the history of money in that session! Then we had the presentations from Department of Revenue and Baird. Both of these topics are common conference topics to be discussed, but each and every time there is something new to learn and this was no exception.

Friday concluded the conference with a presentation on WRS Retirement Benefits. Whether you are close to retiring or far away, there was something to learn for everyone. The presenter was very detailed and answered a lot of questions.

I really enjoyed my time at this year's conference and appreciate being chosen for the John Schlice scholarship.

Sincerely,

Julie M. Wahlen, CPA  
Finance Director/Treasurer  
Town of Grand Chute
