

Tracing its history back to 1918, and located in Sturgeon Bay, WI, **Fincantieri Bay Shipbuilding (FBS)** is an industry leader in the construction and repair of large ships. The **FBS** portfolio includes OPA 90-compliant vessels, dredges and dredging support equipment, and offshore support vessels. On the repair side, **FBS** is expert at managing critical deadlines in the repair and sustainment of the Great Lakes Winter Fleet.

Parent company, **FINCANTIERI**, has recently completed a \$26 million capital expansion plan for the **FBS** facility including a new floating drydock, computer-aided manufacturing equipment, and climate-controlled manufacturing facilities.

Experienced Workforce

Each individual in **Fincantieri Bay Shipbuilding's** skilled workforce has an average of more than 20 years of shipyard construction experience. Our mission is simply this: To build high-quality solutions for our customers' marine transportation needs. This focus on quality workmanship comes from a management philosophy keenly dedicated to customer satisfaction.

Dredging Equipment

FBS's dredging experience dates back almost 100 years, and includes a wide range and variety of vessels. Among its most recent contracts, **FBS** has completed a state-of-the-art, 17-cubic-yard backhoe dredge; a 24-inch self-contained cutterhead dredge; a 5,000-cubic-meter double-trailing drag arm suction dredge; and a 7,100-cubic-yard split-hull dump scow.

OPA-90 Double-Hull Market

From tankers to tank barges, **FBS** has proven experience with large commercial vessels. **FBS** has in-house designs that serve a variety of operational needs, insuring promptness and efficiency from contract to delivery.

Automated Material Handling Experts

FBS is recognized as the industry leader in automated self-unloading equipment. From iron ore pellets to cement products, belt transport to fluid systems, **FBS** has designed, installed and maintained these systems for over 50 years.

Offshore Support Vessels

FBS has recently completed two Polar Class 7 Platform Supply Vessels for Tidewater Marine.

Fincantieri Marine Group

Fincantieri Bay Shipbuilding is part of the **Fincantieri Marine Group**, a subsidiary of **FINCANTIERI**, Europe's largest shipbuilder with 20 shipyards on four different continents, employing nearly 20,000 shipbuilding professionals, and with a history dating back 200 years and a track record of producing more than 7,000 ships.
