Why Support MTAW Conferences

The MTAW develops training sessions to assist municipal treasurers with a means to keep abreast of changes affecting their increasingly difficult role in municipal government.

The annual Spring and Fall 2-day conferences are held throughout the State to provide training and career development opportunities along with updates on current State and Federal legislation.

Past conference sessions have included bonds & ratings, budgeting, cash handling, investments, levy limits, municipal insurance, governmental accounting, planning & funding capital improvements, tax increment financing and many other treasury-related topics.

The MTAW is pleased to offer Municipal Services Providers an opportunity to support the MTAW conferences and membership by sponsoring Conference Registration Scholarships (approximately \$120 / each per year) .

Not only are the scholarships beneficial to the recipients, the Sponsor is widely recognized via the MTAW website, Facebook page and other means.
